Cal was born August 17, 1934 to James and Florence Hall (nee Snow) in North River, in the then Republic of Newfoundland. Cal worked incredibly hard for his family; at times held several jobs in order for Jacomina to stay home. He proudly served 28 years in the Canadian Military, and was well known for his cooking skills and his sense of humour—he always had a joke or funny story to tell.

He was happiest laughing, joking, and playing his accordion, harmonica and fiddle. Being a self-taught musician, Alzheimers took his memories, but not his music. He sang songs and played accordion to the last few weeks of his full life.

Our loss is profound.

In lieu of flowers, donations to the Alzheimer Society (P.O. Box 1852, Cornwall (ON) K6H 6N6, www.alzheimer.ca) would be appreciated.
